

Good day all

Please note that Du Plessis AJ will decide all JCMs and settlement matters in front of her during this court week, on the papers. Counsel need therefore not present any oral submissions.

All default judgment matters will be decided on Teams' wherein counsel will need to appear. **A Teams link has been/will be forwarded to only counsel involved in default Judgments on the week.**

Form 10's as well as draft orders must be uploaded on caselines.

I hope you find the above in order.

Kind regards
Ashley
