A: INTRODUCTION

- i. This directive supersedes all previous directives. This revision captures proposals by the profession and takes effect from 26 February 2024. Where full compliance with timelines is not practically possible, Judges will, until 31 March 2024, condone such non-compliance.
- ii. The main purpose of this directive is to serve as a single source of reference to the prescribed practices in the Division. Although the long-term aim is to achieve complete uniformity of practice in both seats, that is not yet possible and work on a re-composed Practice Manual that captures the radical changes brought about by a digital system and evolving procedures since 2020 remains, at this time, work-in-progress. The profession shall be informed about that project when the draft is ready for a consultative process.
- iii. This directive applies uniformly to both Pretoria and Johannesburg, but there are subsidiary practice directives issued by the Deputy Judges President to which practitioners must have regard.
- iv. The form-templates which were annexures to previous directives have been replaced with new form templates. Hyperlinks have been created in this document for ease of identification of and navigation to the relevant form-templates.
- v. Wherever this document contains a cross reference to another section of the document the reader can navigate to the section referred to by hovering over the cross reference (all of which have been marked in **bold and italic**) and making use of the hyperlink to the section referred to.
- vi. Where timeframes for submission of notices/legal process and roll closure differ from those in the practice manual or earlier practice directives, the time frames in this directive shall prevail. Several changes in respect of timeframes have been made.

vii. All office profile email addresses and other contact details referred to in this directive is annexed as Annexure 1A (Pretoria) and 1B (Johannesburg). These documents will be updated by the chief registrars and circulated to the profession on a quarterly basis.

1. <u>MATTER CLASSIFICATION REQUIRED AT COMMENCEMENT OF ACTION /</u> <u>MOTION PROCEEDINGS (COURT ONLINE AND CASELINES)</u>

- 1.1. At the time a summons / notice of motion is issued the plaintiff shall, together with the summons / notice of motion, present to the registrar, in the prescribed form¹ a statement indicating:
 - 1.1.1. That the matter falls in the "Y" case classification as it is a damages claim for personal injury or a dependant's claim in which the Defendant is the RAF, or the MEC Health, Gauteng or PRASA. All other claims for damages (which do not relate to personal injury) against these defendants shall be classified as "C"- Commercial.

or

- 1.1.2. That the matter be classified as-
 - (1) a Commercial matter "C", or
 - (2) a Family law matter "F", or
 - (3) a Delictual matter "D", or
 - (4) a Public law matter "P" (A constitutional or administrative law matter).

and

- 1.1.3. The details of an email address and contact person to whom all communications in terms of this paragraph shall be sent.
- 1.2. The registrar shall maintain a record and schedule of the different categories of cases, and routinely report such statistical information as the Judge President directs.

¹ Annexure 2 to this directive: Application for a case number and matter classification form.

1.3. A defendant shall, upon delivering a notice of intention to defend and, in the prescribed form, furnish details of an email address and contact person to whom all communications in terms of this paragraph shall be sent.

2. INITIATION OF NEW CASES

- 2.1. All new cases must be initiated on the Court Online Portal for issuing and enrolment. No <u>new cases</u> will be issued in person or should be created on CaseLines.
- 2.2. With the exclusion of cases issued on Court Online, where no electronic file is in existence on CaseLines for manually issued and pending cases, legal practitioners must create those existing cases on the CaseLines system and thereafter invite parties and/or their legal representatives to each created case they are involved in. Upon invitation to a case on the CaseLines system, the legal representatives may invite all their respective counsel to the case, where counsel is briefed.
- 2.3. Parties are reminded that court files are public documents. Therefore, any person requesting access to an electronic court file may not be refused except in special circumstances such as where a minor is involved or where a matter relates to state security. For the purpose of uniformity and to avoid any inference of bias, journalists who seek access to cases on Court Online, should routinely select the applicant when prompted to "identify" with a party in order to submit their access request.
- 2.4. In existing pending matters on CaseLines where interlocutory proceedings are brought in respect of such cases such process is to be uploaded to the electronic file on CaseLines.
- 2.5. Matters pending on CaseLines including applications for leave to appeal will effectively be finalised on CaseLines. Once the leave to appeal has been dealt with all appeals are to be issued on Court Online as detailed in section **33** below.

-7-

3. DUPLICATE FILES ON CASELINES

- 3.1. A file must be created only once and if a file has already been created by the registrar, no new/additional file must be created. Legal representatives should therefore search through their individual case lists to establish if an electronic file is already in existence for a particular matter prior to creating a file.
- 3.2. Where duplicate files have been created on CaseLines, the legal respresentatives are to ensure that:
 - 3.2.1. The prefix titled "Duplicate" is added at the beginning of the case name;
 - 3.2.2. Their counsel, opponent attorneys and their counsel as well as the relevant and correct registrar office profile is invited to the correct file;
 - 3.2.3. The Judge's Secretary must be alerted to determine the file that will be used and to close and archive the duplicate file(s).
- 3.3. Each hearing bundle created from Court Online appears similar to a separate file on CaseLines. These bundles are not regarded as duplicate files.

4. LIMIT ON NUMBER OF HEARING DATE APPLICATIONS AND WARRANTS / SUBPOENAS ISSUED PER FIRM PER DAY

4.1. Regardless of whether matters are conducted making use of Court Online or CaseLines each law firm may only apply for a maximum of 5 matters per court roll per day, which is further capped to a combined total of twenty (20) matters per division (Pretoria / Johannesburg) per day.

Roll	Maximum nr of

- 4.4. A limit of 80 warrants of execution and/or subpoenas per firm will apply per week for issuing.

5. DIRECTIVE COMPLIANCE STATEMENT REQUIRED

- 5.1. A party applying for a hearing date, notwitsthanding the nature of such hearing date, is required to, <u>with every date applied for</u> upload the relevant directive compliance statement (affidavit not required) for the type of date applied for.
- 5.2. The statement must state that "I, (name of attorney) hereby certify that I have personally verified and hereby certify that there is full compliance with the prescripts of Directive1/2024 in that:..." and must set out exactly what (and how) the attorney complied with the provisions of this directive in relation to the type of date applied for, specifically-

- 5.2.5. Containing the completed checklist for date allocation for the type of date applied for as provided in the template forms annexed to this directive.
- 5.3. Where no such statement is filed, the registrar <u>shall not</u> allocate a hearing date.

6. SERVICE, FILING AND THE INVITATION OF OFFICE PROFILES

- 6.1. Service of process in terms of the Uniform Rules of Court remains strictly enforceable.
- 6.2. Thus, the uploading of original notices or process to CaseLines or Court Online (whichever platform is applicable to the relevant case in terms of this directive) will be regarded as compliant with the Rules of Court as the effective date of proper filing of the document, but not the service of same. Any party may be called upon at any time by the registrar or by a Judge to produce the original document so uploaded.
- 6.3. Service should still be effected in terms of Rule 4 or 4A of the Uniform Rules of Court, as the case may be. Where service is effected by e-mail the delivery or read receipt will serve as proof of service and must be uploaded.
- 6.4. No filing of hardcopy or by way of emailing pleadings/notices and other documents shall be allowed.

- 6.5. Documents filed outside of court hours will be regarded as having been filed the following court day.
- 6.6. No office profile may be invited for actioning outside of Registrar's office hours as provided for in Rule 2 of the Uniform Rules of Court namely 09:00 to 13:00 and 14:00 to 15:00. Any invitation to an office profile outside of these hours shall be ignored and the registrar shall un-invite the designated profile from the CaseLines file.
- 6.7. The responsibility to timeously upload pleadings, notices and legal process under the respective sections in all cases created by legal representatives, save for cases initiated in the urgent court lies with the party responsible for each particular pleading/ notice/ legal process and in line with the Uniform Rules of Court.
- 6.8. Service of process in the Tax Court shall be in terms of the provisions of the Tax Administration Act (TAA) read with the Uniform Rules of Court.
- 6.9. In the event of non-compliance or partial compliance with any provision in a statute or by a Rule of Court to serve and file court process and/or deliver any document ancillary thereto and which is attributable to the strictures imposed this directive, its implications for the litigant or the litigant's legal representatives, condonation, where required, shall be granted by a court in respect of any shortcomings in compliance.

7. **REQUIRED SECTIONS**

An additional index may be included that cross-references both CaseLines page numbers and another page number sequence; where this is done, such index must be in a single document.
- 7.2. Parties must not create separate sections for every document unless sound reasons exist to do so. Individual documents must be uploaded to the appropriate section to which the document belongs.

15. MODES OF COURT HEARINGS: PHYSICAL COURTROOMS AND BY VIDEO-LINK

- 15.1. The following policy considerations inform the directives about modes of court hearings set out hereunder:
 - 15.1.1. The general principle is that all courts shall conduct physical hearings in public as the default mode and that the conduct of video-link hearings are appropriate only when sound policy reasons exist to deviate from this default position.
 - 15.1.2. Where appropriate, hybrid hearings may be held in which a measure of physical hearings and video-link hearings co-exist.
 - 15.1.3. Where significant advantages exist in some types of cases to use videolink hearings it is appropriate that such types of cases be heard by videolink as the default model.
- 15.2. Whether physical or video-link hearings are held in any case, considerations relevant to the achievement of an effective hearing and the reasonable needs and convenience of the Judges, the legal practitioners and witnesses are to be taken into account. This includes:
 - 15.2.1. Courtroom recording equipment, which is effective, that electrical connection points are conveniently located in courtrooms to facilitate Judges and legal practitioners' reasonable needs to power laptops, and wi-fi connectivity is optimally effective to sustain multiple online access to Court Online, CaseLines, and in hybrid hearings, to video-links.
 - 15.2.2. In a video-linked hearing, effective internet connectivity exists for all participants and, in particular, where poor connectivity is experienced in a video-link hearing, the Judge shall exercise a discretion to direct a physical hearing for the continuation of the case or abandon or postpone the hearing until the parties can secure effective connectivity. In this

regard it is the duty of all legal practitioners to secure effective connectivity for hearings in which they appear, both for themselves and for any witness.

- 15.3. Types of cases that shall be heard physically by default:
 - 15.3.1. All criminal trials.
 - 15.3.2. All civil trials and all cases where the matter has been referred for oral evidence-
 - At the discretion of the Judge, such cases may be heard in part physically and in part by video-link or wholly on video-link where sound reasons to do so are present. Such arrangements may be at the request of one or all parties or on the initiative of the Judge. Where the Judge takes the initiative, reasonable notice must be given to the parties.
 - Where evidence is given by video-link from a remote location, the physical arrangements for the witness to testify must be such that the integrity of the evidence given cannot fall under suspicion of being coached, aided, or in any way directed by a third party by any means.
 Practitioners must take responsibility for the organization of "witness rooms" where the whole space is visible and third-party interference is impossible. The Judge may permit deviations from this type of arrangement if deemed appropriate.
 - 15.3.3. Appropriate examples of the hybrid or total use of video-link participation in a case may include:
 - An expert witness who is at a remote location.
 - Counsel who is not domiciled in Gauteng.
 - A witness whose credibility is not an issue in the case.
 - A witness whose credibility is an issue and in respect of whom the judge is satisfied that the value of the evidence is unlikely to be diminished on account of testifying remotely and the efficacy of a cross-examination of the witness will not be impaired.

-29-

- 15.3.4. The Unopposed Motion Court, the Special Interlocutory Court, and the Settlements Court hearings <u>during term times</u>. As a general rule, exceptional circumstances must be shown to deviate from the default position.
- 15.3.5. Applications for admission as Legal Practitioners.
- 15.4. Types of cases that shall be heard by video link by default:
 - 15.4.1. Unopposed divorce cases.
 - 15.4.2. Applications for leave to appeal.
 - 15.4.3. Urgent cases brought after court hours or over weekends.
 - 15.4.4. Urgent cases brought during all recesses.
 - 15.4.5. Cases in the unopposed motion courts and Special Interlocutory Court brought during any recesses.
 - 15.4.6. Judicial Case Management Court.
- 15.5. In these types of matters, a party may request a physical hearing and the Judge shall exercise a discretion whether it is necessary to deviate from the default position. Such a request must be given prior to the hearing, in a practice note which shall stipulate whether all parties are in agreement or not. Ideally, such a request should be made immediately after the publication of the court roll.
- 15.6. Types of cases that may be heard either in physical court or by video link by agreement among the parties:
 - 15.6.1. All appeals.
 - 15.6.2. All opposed motions.
 - 15.6.3. Family Court motion cases.
 - 15.6.4. In respect of these types of cases the following considerations shall be relevant to the choice of model:
 - The default position is a physical hearing and therefore a deliberate choice to use video-link must be made.

- In the absence of agreement among all parties about the mode of hearing, the Judge shall exercise a discretion as to what mode is appropriate having regard to the reasonable needs of all parties' representatives and witnesses.
- If one or more counsel who are to address the court are not domiciled in Gauteng, in the absence of a material reason not to accommodate such counsel on video- link, if counsel requests a hearing by videolink, the matter shall proceed on video-link.
- Counsel who are domiciled in Gauteng and who would prefer not to travel to the seat where the hearing would take place physically, may request to be accommodated by video-link. In the absence of agreement between the parties, the Judge shall decide which mode of hearing is appropriate, having regard to the reasonable needs of all parties' representatives.
- 15.6.5. A request for any such accommodation must be made to all interested persons as early as possible after the service of the notice of set down.

16. VIDEO LINK LOGISTICS AND ETIQUETTE

- 16.1. How video links are set up is within the discretion of the Judge presiding.
- 16.2. It is important to furnish in any email to the Judge's secretary the relevant email address that is to be used for any CaseLines link and for video link invitation. Failure to provide the correct information inhibits effective communication and frustration to all involved. Video links are provided by Judges' secretaries and issues relating to receipt of video links must not be raised with the registrar.
- 16.3. Among the options, is for a single link to be set up at the Judge's initiative for the whole roll which is published to the professional bodies and relayed to interested attorneys and counsel. The counsel appearing shall then join the video hearing and take turns at having their matters heard.
- 16.4. The video link and/or direction by the Judge in relation to the video hearing will be communicated by email from the Judge's secretary or ICT support staff member.

Enquiries relating to video link logistics should not be directed to the office of the registrar.

- 16.5. This court is designated for unrepresented plaintiffs/applicants/respondents/defendants who do not have access to IT related equipment and software and whose matters are heard virtually. The secretary of the Judge who will be hearing the matter shall communicate such matters to the secretary allocated in advance of the hearing so that the necessary arrangements are put in place for the hearing.
- 16.6. The Judge(s) and legal professionals appearing in video conferencing hearings must be robed. Witnesses, litigants whether represented or unrepresented must be dressed formally.
- 16.7. Instructions for legal representatives and counsel:
 - 16.7.1. All legal representatives and counsel should endeavour to ensure that they have a back-up electricity and a data source in the event of a power outage or load-shedding or any other electrical or connectivity issue.
 - 16.7.2. The devices used should be fully charged before the hearing and be kept on charge during the hearings to allow the hearing to proceed in the event of a power outage or load-shedding.
 - 16.7.3. To ensure that attorneys and counsel are properly addressed during a virtual hearing, they are directed to ensure that their MS Teams usernames are accordingly adjusted to correspond with their initial(s) and surname so that their correct details display during the hearing.
 - 16.7.4. Legal representatives and counsel should ensure that the physical background of the room from which they are conducting the hearing accords with the decorum of a formal court siting and has nothing bright or distracting. Legal representatives and counsel must also ensure that no other person (or pet) should enter or move around the room during the course of the hearing.

- 16.7.5. In addition to the above directions, the further conduct of the hearing will be dealt with via *ad hoc* directives issued by the presiding Judge.
- 16.7.6. Legal representatives and counsel appearing shall remain in the hearing and leave only when the proceedings have concluded, alternatively, with leave of the presiding Judge.
- 16.7.7. The Judge(s) shall give instructions as to the recording of the proceedings. If the Judge or the Judge's secretary or a stenographer records the proceedings, the Judge shall retain the audio file, until such time as the registrar can take custody thereof. Such recording must be availed to any party who was involved in the hearing upon request subject to the procedure set out below.
- 16.8. In those cases which are conducted by video-link and where a party appears in person:

 - 25.1.2. The respondent's heads of argument must be filed within 10 days after filing of the applicant's heads of argument.

- 25.2. The registrar shall not enrol a matter unless these prescripts are complied with.

Final enrolment of opposed motions

- 25.4. The opposed motion roll shall close at noon twenty (20) clear court days preceding the hearing date save for opposed applications for summary judgment enrolled in the opposed motion court.
- 25.5. The respondent's opposing affidavit in opposed summary judgement applications, in accordance with the Uniform Rules of Court, shall be filed and uploaded to the electronic file by no later than five (5) clear court days before the date upon which the case is initially set down on the unopposed roll.
- 25.6. All opposed motions shall be set down by the registrar formally <u>on a Monday</u> and the Judge allocated to hear the matter shall give directions as to which day of that week the matter shall be heard.
- 25.7. The only matters that shall remain on the final roll (final enrolment) are those in which the bundle has been completed and indexed in the prescribed manner. This must be attended to one court day before the expiry of 3 weeks before the allocated hearing date.
- 25.8. The registrar shall place the matter on the final court roll and invite the Judge's secretary to the electronic file. The registrar shall un-invite the office profile from the case. Before the hearing date, the Judge's secretary shall take note of any filed notices of withdrawal, illegal eviction applications, and of matters removed by notice.
- 25.9. No enquiries relating to confirmation of final enrolment should be escalated prior to and/or on the date the roll closed.

-48-

- 25.10. The relevant litigating party shall upload a notice of withdrawal to the electronic file at least 5 clear court days before the hearing of the matter and shall simultaneously notify the secretary of the Judge hearing the matter, per email, of the withdrawal of the matter. The secretary shall on the hearing date remove the matter from the roll.
- 25.11. Practitioners/legal representatives may not alter or request alteration of the bundle in order to upload documents out of time. Where a Judge establishes from the CaseLines audit trail that a practitioner uploaded documents out of time without condonation having been granted for such late filing, the matter may be struck from the roll and a cost order *de bonis propriis* may be made against the errant practitioner.
- 25.12. Any matter that is enrolled despite non-compliance shall be removed by the senior Judge assigned to allocate the roll unless a full and satisfactory explanation in writing is provided to the senior Judge by no later than 12 court days before the date of formal set down. The senior Judge shall exercise a discretion as to the use of another method of presentation of the papers, whether by email or in physical form.
- 25.13. The senior Judge who is charged with the allocation of the opposed motion roll shall allocate only those matters that comply with the prescripts set out in this paragraph.
- 25.14. In cases where these prescripts are not met because one party is delinquent and that delinquency which threatens to improperly or unfairly delay the hearing, the senior Judge shall exercise a discretion to allocate the matter for hearing. The delinquent party risks an award of a punitive costs order and the legal practitioners an interdict against charging the client a fee.
- 25.15. The Judge allocated to preside over an opposed motion matter shall by not later the Monday of the week before the week in which the case has been set down (i.e., 6 court days), notify the parties by email of the day and time in that week when the case shall be heard, and issue any additional directives as may be

-49-

appropriate. All further communication about the matter must be by email to the email address stipulated by the Judge.

- 25.16. All opposed motions set down during the term shall be disposed as follows:
 - 25.16.1. If both parties agree, an opposed motion may be removed from the roll. There shall be no costs order for removal of a matter, except if agreed otherwise between the parties.
 - 25.16.2. The parties shall endeavour to agree about whether the matter may be disposed of without oral argument; if agreed, counsel for any party who wishes to supplement the papers with additional written submissions must do so in a practice note uploaded to Court Online and sent by email to the email address designated by the senior Judge or to the Judge's secretary, by not later than 12 court days before the week in which the matter is set down.
 - 25.16.3. If no agreement is reached about forgoing oral argument, that must be communicated to the senior Judge in the opposed motion court in a practice note uploaded to Court Online and also sent by email, not later than 12 court days before the week in which the matter is set down, and a hearing shall take place as directed by the Judge seized with the matter.

Pre-hearing conference required

- 25.18. The joint practice note should be uploaded to the case file on court online and also transmitted via email no later than 12 court days prior to the week in which the matter has been set down to the senior judge in order to facilitate the senior Judge allocating the matter and to facilitate the preparation of the matter by the judge hearing the matter, including considering where necessary, a pre-hearing conference with the Judge hearing the matter.
- 25.19. In a case where an opponent fails to cooperate in the preparation of a joint practice note, the aggrieved party may file a unilateral practice note and declare the opponent in default. This practice note must be filed not later than 12 court days prior to the week in which the matter is set down. The default by a delinquent party shall not necessarily compromise the hearing as scheduled. The presiding Judge may impose sanctions including punitive costs or the disallowance of fees by counsel and attorney who are derelict in their obligations.

26. THE UNOPPOSED MOTION COURTS

Applying for an unopposed motion date

- 26.1. The requirements and procedure set out in par.24 above, must be met and followed for the allocation of an unopposed motion hearing date.
- 26.2. These directives apply to all unopposed courts, including the special interlocutory court (SIC) and Family Court in respect of opposed or unopposed rule 43 applications and other unopposed applications.

Final enrolment of unopposed motions on CaseLines

26.3. The unopposed motion roll shall close at noon seven (7) clear court days preceding the hearing date.

- 26.4. Final enrolment must be attended to from the 15th court day prior to the date of hearing, but no later than noon, seven (7) clear court days preceding the hearing date thereof.
- 26.5. Documents to be uploaded for final enrolment on the unopposed motion roll, are-
 - 26.5.1. A notice of final enrolment with proof of timeous service of same,
 - 26.5.2. A compliant practice note,
 - 26.5.3. A draft order of court.
- 26.6. Practitioners are reminded to invite the relevant unopposed enrolment office profile after uploading the relevant documentation, failing which the matter will not appear on the final unopposed motion roll.

Unopposed motion hearings

- 26.7. A final updated practice note and draft order of court reflecting the name of the Judge to whom the matter has been allocated, and the court in which the matter will be heard is required for the disposal of the matter.
- 26.8. The applicant must upload the updated practice note onto CaseLines and, if directed by the Judge, also send it by email to the email address stipulated by the Judge. This must be done 5 court days before the week in which the matter is set down.
- 26.9. The practice note must set out whether the matter may be disposed of on the papers, or an oral hearing is required. If no hearing is required, whatever submissions deemed relevant and important for the disposal of the matter must be made in the practice note.
- 26.10. The practice note must give an email address and cell number of the legal practitioner/counsel moving the matter to enable the Judge to make contact about an oral hearing by video conference or otherwise, and also to facilitate resolution of any query, by the Judge, that might need to be addressed to the legal practitioner/counsel for input.

-52-

- 26.11. If short heads of argument are appropriate, these too must be filed 5 court days before the week in which the matter is set down. The purpose of the practice note is to assist the court in the efficient disposal of the matter.
- 26.12. A respondent who, despite being late to do so, wishes to oppose the granting of an order, must communicate that fact by uploading the necessary notice to the casefile on CaseLines / Court Online and by email to the secretary of the allocated Judge, with all other parties copied into all email correspondence, and otherwise comply with this directive.
- 26.13. Counsel or the attorney for an applicant must at once when it becomes known that there is opposition, regardless of its merits, communicate that fact to the allocated Judge.

27. THE SPECIAL INTERLOCUTORY COURT ("SIC"): ROLE AND FUNCTIONS, APPLICABLE TO ALL CATEGORIES OF MATTERS

- 27.1. The Special Interlocutory Court ("SIC") is established to address the delinquency of an adversary in respect of non-compliance with the provisions of this directive or of the practice manual of the court or of any of the Uniform Rules of Court, in all cases, i.e., trials, applications and appeals, regardless of whether or not such matters are opposed or unopposed.
- 27.2. Any party who, having reason to be aggrieved by the other party's neglect, dilatoriness, failure, or refusal to comply with any rule of court, provision of the practice manual or provision of this directive must utilize the SIC to compel compliance from the delinquent party.
- 27.3. The orders obtainable in the SIC are of a strictly interlocutory nature, not of a substantive nature.
- 27.4. Opposed or unopposed interlocutory applications relating to matters other than in respect of procedural delinquency must not be enrolled in the SIC and must instead

be enrolled in the general opposed or unopposed motion court, whichever is applicable.¹³

Final enrolment of SIC motions on CaseLines

- 27.5. Documents to be uploaded for final enrolment on the SIC motion roll, are-
 - 27.5.1. A notice of final enrolment with proof of timeous service of same,
 - 27.5.2. A compliant practice note,
 - 27.5.3. A draft order of court.
- 27.6. No office profile needs to be invited for final enrolment in the SIC.
- 27.7. The papers must be succinct.
- 27.8. If a matter becomes opposed, brief heads of argument must be submitted as soon as practicable.
- 27.9. Draft orders in the SIC, in addition to being uploaded to the court files on Court Online and CaseLines must also be available in hard copy to hand up at the physical hearing or, in a video link hearing, sent in MS WORD format by email to the secretary of the presiding Judge to enable revisions, if required to be made at the discretion of the Judge.
- 27.10. An application in the SIC shall not be postponed or deferred because it becomes opposed since that would have the effect of undermining the very function of the SIC. Opposed matters shall therefore be disposed of within the week in which they are set down. The opposing litigant may file such papers to succinctly set out the basis of the opposition as the presiding Judge may permit.
- 27.11. To prevent unnecessary delays, additional costs, and a waste of court resources caused by non-compliance with orders handed down in the SIC, a party may seek an order in the SIC that provides for the *ipso facto* striking out of the claim or

¹³ E.g., an application to compel specified further particulars as distinct from an application to compel a reply to a request for particulars, does not involve a delinquent failure to comply with a rule or directive, but concerns whether, on substantive grounds the information requested is lawfully required.

defence in the event that the other party fails to comply with an order granted by the SIC within a specified time, provided that-

- 27.11.1. The order has been served on the delinquent party, and
- 27.11.2. A rule of court provides that such non-compliance entitles an aggrieved party to apply to strike out the claim or defence.¹⁴
- 27.12. Pursuant to the striking of a claim or defence of a party as provided for above:
 - 27.12.1. <u>in RAF matters</u> final substantive relief must be sought by enrolling the case on the Default Judgment Trial Roll.
 - 27.12.2. The notice of set down for such default hearings must be served on the RAF by way of physical service.

27.13. Among the types of delinquency which the SIC shall deal with are:

- 27.13.1. The failure to deliver timeously any practice note or heads of argument that are due,
- 27.13.2. A failure to comply with Rule 36(15),
- 27.13.3. A failure to comply with a notice in terms of Rule 35(3),
- 27.13.4. A failure to sign a rule 37 minute promptly,
- 27.13.5. A failure to comply timeously with any undertaking given in a rule 37 conference,
- 27.13.6. A failure to secure an expert timeously for an interview with a plaintiff/patient after having given notice that the plaintiff/patient must submit to an examination,
- 27.13.7. A failure by the RAF to reply to a request to either accept or reject a plaintiff's RAF4 Serious Injury Assessment in terms of regulation 3(3)(c) and 3(3)(d) of the RAF regulations,
- 27.13.8. A failure to agree or confirm a meeting of experts for the purpose of preparing joint minutes,

27.13.9. Non-compliance with any provision of this directive,

¹⁴ Sample order of court annexed as Annexure 8.

¹⁵ The provisions of Rule 36 do not encompass an obligation by a defendant to appoint expert witnesses.

-55-

- 27.13.10. Any other act of non-compliance in respect of an obligation that rests upon a party which may imperil expeditious progress of a matter may be the subject matter of an application to compel; the list is not limited.
- 27.14. The SIC will not deal with applications to compel a party to attend a pre-trial meeting unless the matter has been submitted to the registrar for decision, as provided for in rule 37(3)(b) of the Uniform Rules of Court. The procedure to follow for submission to the registrar for decision on the date, time and place for the pre-trial conference is as follows:
 - 27.14.1. On Court Online the party wishing to submit the matter to the registrar shall upload to a notice referring the matter to the registrar for decision.¹⁶
 - 27.14.2. On CaseLines the notice referring the matter to the registrar for decision has to be uploaded to the Pre-Trial section of the matter, and the relevant CaseLines profile invited.
 - 27.14.3. The registrar shall upon receipt of a referral notice allocate a pre-trial date and inform the parties of same by uploading a pre-trial date allocation letter to the matter profile. On CaseLines the registrar shall make a widely shared note indicating the date allocated for the pre-trial. On CourtOnline, the registrar shall upload the pre-trial date allocation letter to the court file.
- 27.15. Because the very purpose of the SIC is to overcome delinquency and consequent improper delays, any breach by a legal practitioner of the duty to promote and advance the efficacy of the legal process as stipulated in paragraph 60.1 of the Code of Conduct for Legal Practitioners may be referred to the Legal Practice Council for investigation into possible professional misconduct.
- 27.16. In a proper case, punitive costs (including an order disallowing legal practitioners from charging a fee to their clients) may be awarded where recalcitrance or obfuscation is apparent and is the cause of inappropriately delaying or attempting to delay the progress of any matter.

¹⁶ Annexure 7 to this directive.

28. URGENT MOTION COURT

- 28.1. Hearings shall be conducted as directed by the presiding Judge.
- 28.2. The issuing of case numbers for and/or enrolment of urgent applications should be dealt with between 08:00 and 16:00 on court days unless the initiation can take place only outside court hours for a hearing to take place outside of court hours. Where an urgent case is issued and simultaneously enrolled, the issuing clerk creates the case on CaseLines and invites the applicant and the Judge's secretary. The applicant must ensure to invite all other legal practitioners involved in the matter. When an urgent matter that was previously issued and already created on CaseLines is later enrolled, the clerk responsible for the urgent roll must be informed that the case already exists.
- 28.3. The contact numbers for the after-hours Urgent Court of the respective courts are noted in Annexures 1A and 1B to this directive.

These numbers are operational on weekends and between 16:00 and 08:00 during the week. These numbers must not be used for general enquiries or for any issues not relating to a matter to be heard in the after-hours Urgent Court.

- 28.4. The papers of existing cases shall be uploaded onto CaseLines, or where that cannot be achieved, the papers shall be sent by email to an address as directed by the urgent court Judge or her/his secretary.
- 28.5. Only when the uploading of papers in existing matters on CaseLines is impossible to achieve, may a physical set of papers be delivered as directed by the urgent court Judge, which shall include an affidavit explaining, in full, why it was impossible to transmit the papers via CaseLines or email.
- 28.6. Any person applying for urgent relief in person, shall, before filing any papers, communicate with the urgent court Judge's secretary to determine whether the Judge shall authorize the filing of papers, whether on CaseLines / Court Online, via email or physically.

- 28.7. Any order granted/issued shall be communicated by email to the parties and uploaded onto CaseLines / Court Online.
- 28.8. The enrolment of an allegedly urgent matter found not to warrant a hearing on this roll may, at the discretion of the Judge seized with the matter, result in punitive costs being awarded and the culpable counsel and attorney being ordered not to be paid any fees arising from the prosecution of such matter(s).
- 28.9. Service of process in all urgent matters shall comply with the Uniform Rules of Court. Save where required by legislation, where agreement can be reached by the representatives of all parties to vary the requirements of the rules to facilitate a wholly electronic exchange of papers, condonation shall be granted *ipso facto*.
- 28.10. The urgent roll closes at noon on a Thursday for the following Tuesday. The applicant must properly consider the appropriate notice period to give to the respondent. Generally, enrolments ought to be made for the next week, but where longer notice periods are deemed appropriate by an applicant, matters may be enrolled for a later week.

29. THE FAMILY COURT

- 29.1. The Family Court shall sit each week during term.
- 29.2. The objective of this court is to streamline most family law cases onto a single roll where they might be dealt with more speedily. This directive shall prevail over any provision in any other directive and the Practice Manual which regulates family law cases.
- 29.3. A Family Law case includes the following:
 - 29.3.1. Marriage, including customary and/or religious marriage,
 - 29.3.2. Civil unions,

In particular, complaints and enquiries relating to date allocation, final enrolment and general questions must be escalated only to the relevant escalation email address. Such complaints and enquiries must not be made or copied to the offices of the Judge President, chief registrar, or court manager.
- 38.3. Court staff are expected to respond to escalations, complaints and enquiries within three (3) court days.
- 38.4. When a query is escalated to the appropriate escalation email address, practitioners are advised of the following:

- 38.7. Only issues where proof that the registrar or other court staff member failed to assist or where proof of misconduct is provided may be escalated per email to the offices of the chief registrar or court manager respectively, and only to the office appropriate to the issue. Applicable reporting lines are evident from Annexures 1A and 1B below.
- 38.8. Judges' secretaries are supervised by the office manager. Complaints about Judges' secretaries should be directed to the office manager together with proof of attempts to liaise with the Judge's secretary directly, especially where the complaint relates to the uploading of signed draft orders which were made orders of court.
