**GAUTENG HIGH COURT, PRETORIA**

**URGENT APPLICATIONS**

**WEEK OF 3 – 7 May 2021**

- 1] If cases were not ready at time of filing at 12:00 on Thursday 29 April 2021 (i.e all relevant affidavits filed, the application indexed and paginated and a certificate of urgency and practice note filed), they will not be heard, unless there is good cause or exceptional circumstances.
- 2] No piece-meal filing of affidavits will be allowed.
- 3] The CaseLines bundle will be frozen by 13h00 on Friday 30 April 2021 and no further documents may be filed without the relevant judge's specific written permission.
- 4] **All cases MUST be uploaded on CaseLines**. If any problems are experienced the particular judge's registrar may be contacted TIMEOUSLY. In the absence thereof, where links have not been populated timeously (see par 1 supra) or no link has been received, the matter will be struck from the roll.
- 5] It is the duty of the applicant's attorney to ensure that there are no duplicate cases created on CaseLines and to ensure that the particular judge has received the correct link. In the event that this does not occur, and links remain unpopulated or the judge has received the incorrect link, the matter will not be heard and will be removed or struck from the roll.
- 6] Where no certificate of urgency has been filed and/or no practice note has been filed the matter will be struck from the roll.
- 7] In matters that are unopposed or settled – draft orders in word format are to be emailed to the relevant judge's registrar by no later than 13h00 on Monday 3 May 2021. No hearing is required for these matters unless parties notify the relevant judge's registrar otherwise or the particular judge requires submissions. Counsel are to remain available.
- 8] In all opposed matters, heads of argument are to be filed by both parties before 12h00 on Monday 3 May 2021. Strict regard will be had to the rules of urgency.
- 9] All hearings will take place via Microsoft Teams and the link will be sent to the parties by the relevant judge's registrar prior to the hearing.
- 10] If parties are of the view that a matter may be heard on the papers and without a hearing they are to indicate this to the relevant judge's registrar by no later

than 10h00 on Monday 3 May 2021.

- 11] An allocation does NOT mean that the matter is considered sufficiently urgent to hear on the merits. Submissions will need to be made regarding the grounds of urgency.
- 12] If there is non-compliance with this practice directive, the matter will be struck from the roll, unless good cause is shown for non-compliance.
