

**HIGH COURT OF SOUTH AFRICA, GAUTENG DIVISION, PRETORIA**

**FROM THE CHAMBERS OF MADAM JUSTICE BASSON**

---

21 July 2023

**DIRECTIVE**

**TERM 2: 25 to 28 July 2023**

**URGENT APPLICATIONS**

**GENERAL**

1. This is the main directive for Judge Basson for Urgent Court of the week of 25 – 28 July 2023.
2. If cases were not ready at time of filing at 12:00 on Thursday, 20 July 2023 (i.e all relevant affidavits filed, the application indexed and paginated and a certificate of urgency and practice note filed), they will not be heard, unless there is good cause or exceptional circumstances.
3. An allocation does NOT mean that the matter is considered sufficiently urgent to hear on the merits. Submissions will need to be made regarding the grounds of urgency.
4. If there is non-compliance with this practice directive, the matter may be struck from the roll, unless good cause is shown for non-compliance.

**HEARING**

5. The matter/s will be heard in court. Please refer to the allocation date attached hereto. All matters are set down for **9H00** on the day of allocation. Parties are not at liberty to chose on which date their matter must be heard.

## **OPPOSED**

6. In all opposed matters, heads of argument are to be emailed to the relevant judge's secretary by 12h00 on Monday 24 July 2023 together with an authorities bundle.

## **REMOVALS / SETTLEMENTS / UNOPPOSED MATTERS**

7. In matters that are removed / settled /unopposed – draft orders in **word format** are to be emailed to the relevant judge's secretary by no later than 13h00 on Monday, 24 July 2023.

## **CASELINES**

8. The CaseLines bundle will be frozen by **13H00 on Friday, 21 July 2023**. and no further documents may be filed without the relevant judge's specific written permission obtained by email.
9. No piece-meal filing of affidavits will be allowed.
10. All court bundles are to be fully uploaded to Caselines. If any problems are experienced the particular judge's secretary must be contacted TIMEOUSLY. In the absence thereof, where links have not been populated timeously or no link has been received, the matter will be struck from the roll.
11. It is the duty of the applicant's attorney to ensure that there are no duplicate cases created on CaseLines and to ensure that the judge has received the correct link. In the event that this does not occur, and links remain unpopulated or the judge has received the incorrect link, the matter will not be heard and will be removed from the roll. In the event that a practitioner struggles to upload an application to Caselines, an affidavit is to be prepared explaining what steps have been taken and why it was not possible to upload to Caselines and this must be sent to the judge's secretary. The judge will then give further directions.

## **PRACTICE NOTE**

12. Where no practice note has been filed the matter may be struck from the roll. The practice note is to set out the following:
  - 12.1 particulars and contact details of the legal practitioners;
  - 12.2 nature of the relief sought (without referring to the notice of motion);
  - 12.3 total number of pages;
  - 12.4 a brief summary of the factual and legal issues involved;

- 12.5 a clear indication (without repeating the heads of argument) which portion of the papers must be read and which not;
  - 12.6 the main issues to be considered;
  - 12.7 a brief summary of the urgency, or absence thereof;
  - 12.8 whether there has been service by the sheriff and if not, why not;
  - 12.9 estimated duration;
  - 12.10 whether the matter is opposed.
13. FAILURE TO FILE a practice note setting out all the above information, may result in the matter being struck from the roll and a punitive cost order being granted.
